WEEKLY ALIGNMENT GUIDE

# WELCOME!

Welcome to the journey of transformation in Christ. With nearly two decades of experience helping individuals like you navigate life's ups and downs, I am truly honored to partner with you on this sacred journey. Over the years, I have been privileged to assist countless individuals in finding their path through counseling, coaching, mentoring, teaching, and speaking. My heart's desire is to provide the tools and encouragement you need to move forward, shift your perspective, and embrace the life God has prepared for you.

This worksheets is designed to help you apply the truth of God's Word to your life, take actionable steps toward your goals, and deepen your understanding of who you are in Christ. I truly believe that we are all called to live clear in Christ, experiencing the freedom, peace, and purpose He offers. My passion is to see you living that life - a life characterized by faith, hope, and love.

# BEFORE YOU BEGIN

## 01 CHOOSE HONESTY

This is for personal reflection and personal growth. Be honest with yourself, even on weeks you weren't at your best.

## 02 CHOOSE A TIME

Choose a time when you can really focus and go through the entire exercise. Once you've got in a routine, you'll know how much time to allot.

## 03 CHOOSE YOUR METHOD

You can either print the worksheet portion weekly, use a notebook, or an app like Goodnotes to go through the exercise.

## 04 CHOOSE GOD

Remember that this is about a Christ Centered life, so seek ways that your perspective needs to realign according to scripture.
